

One female singer/dancer will be cast for this short but impactful scene. Feel free to invent your own melody and dance and/or scat for a few measures before the scripted line.

(Just then ... the doorbell rings. The front door opens on its own. A cute, perky SINGING TELEGRAM GIRL tap dances in the doorway.)

SINGING TELEGRAM GIRL. *(Singing:)* I ... am ... YOUR SINGING TELEGRAM ...

(GUNSHOT! The SINGING TELEGRAM GIRL falls dead in the doorway.)
